Kennebec Valley Community Action Program

Good News!

You may be qualified for our **NO-COST Weatherization Program!**

Have our experienced staff perform a full energy audit on your home to determine the best way to upgrade your home's energy efficiency and comfort.

The Weatherization Assistance Program is **FREE** for eligible participants.

Weatherization improvements may include:

- Attic, wall and basement insulation
- Caulking and spray foam
- Weather-stripping and door sweeps
- Chimney bypasses

What are some of the **BENEFITS?**

- Saving money on your utility bills
- Staying warmer in the winter and cooler in the summer
- Improving the indoor air quality and occupant health
- Helping to protect the environment

Eligibility Criteria

- Received LIHEAP fuel assistance for the current year
- *Past participants in the weatherization program are NOT eligible*
