2021 Impact Report

Children & Youth

Head Start ■ Early Head Start ■ Educare Central Maine ■ Child Care

559 children (birth—age 5) increased their readiness for school success through **425,380** hours of early care and education.

Children ate **13,968** healthy meals and snacks.

Community child care providers received over **400** hours of training and technical support.

The South End Teen Center had **48** members. Teens participated in community service projects, music lessons, cooking classes, gardening, homework and tutoring, and other enriching activities.

937 summer meals for school-aged children and youth were distributed in the South End neighborhood, in partnership with the Alfond Youth & Community Center and Waterville Public Schools.

Families

Maine Families Home Visiting partners with expecting or new parents to ensure safe home environments and promote healthy growth and development.

227 families participated in the program. **260** in-home visits, **1,304** virtual visits and **688** phone visits were conducted.

The Family Enrichment Councils work to prevent child abuse & neglect in Kennebec and Somerset counties.

1,300 caregivers participated in parenting classes.

Since March 2020, families received **56,000** free diapers.

Transportation

The Kennebec & Somerset public transit buses gave **30,589** rides bringing people to work, school, health care and to access local businesses and services.

KV Van and volunteer drivers provided nearly **119,000** rides bringing people to health-related appointments, driving **2.6 million** miles.

8% of trips were for dialysis and cancer treatments.

For the Home

7,734 households received fuel assistance, keeping **16,170** people warm.

318 people had their furnace serviced or replaced.

40 households received Home Repair services.

Affordable housing development of **30** senior apartments continued in Hartland.

In partnership with Maine Housing, we continued to implement the Emergency Rental Relief Program assisting **3,879** households with rent and utility payments while putting **\$9.2m** back into the economy.

We helped **366** people to quarantine safely due to COVID-19 by delivering food, medication, cleaning supplies and other basic needs.

Resource Navigators connected **804** people to a variety of services through one-time visits and longer-term case management.
