

Dear KVCAP Transportation Applicant,

Thank you for enquiring about KVCAP's Transportation programs. Enclosed is an application that must be completed and returned so we can determine your eligibility for one or more of the following programs:

- KV Van/Volunteer Driver Door-to-Door Transportation
- Friend and Family Driver Reimbursement

Eligibility for these programs is based on income, MaineCare membership, referrals from partner social service agencies, and funding availability.

If you are a MaineCare member, please call Penquis CAP at 1 (844) 736-7847 to register for MaineCare transportation services.

Please call the KVCAP Transportation location nearest you if you have any questions about our services or the application process. We'll be glad to assist you!

We look forward to providing you with quality transportation services!

Sincerely,
