## Each session offers:

- Hands on activities involving:
  - Science,
  - Technology,
  - Engineering,
  - Arts
  - Math
- Family engagement opportunities
- Nature exploration and outdoor fun on our beautiful, natural playground
- Developmentally appropriate, games, songs, and activities tailored to children's interests and relatable fun!

**Playgroups will be held  
Tuesday, Wednesday,  
and Thursday from  
9:00-11:00**

## To ensure everyone's safety we will follow these protocols:

- Playgroups will take place mostly outside .... after all, we are a *nature*-based playgroup 😊
- We are limiting groups to a total of 14 participants
  - We ask that one adult per child(ren) attend so that we can allow space for as many children in those slots as possible
  - You will need to sign up ahead of time with Desiree to reserve your slot.
- A light snack will be provided

To reserve a slot on any of the dates listed above call \_\_\_\_\_

\*Slots will be reserved first come first served

\*If you cannot make it, please call ASAP, so we can fill the slots
